Rotary Club: Rotary Club of Weaverville

Project Title: Personal Protective Equipment

Progress Report Final Report

Project Description

1. Briefly describe the project. What was done, when and where did project activities take place, and who were the beneficiaries?

California mandated that in 2010 all fire departments had to have New Generation Fire Shelters and the intent of the project was to provide the shelters and safety approved Wildland Personal Protective Equipment (PPE) in the form of boots for Volunteers.

2. How many Rotarians participated in the project? Four

3. What did they do? Please give at least two examples.

Two Rotarians are on the Fire Dist. Board of Directors and worked closely with the Chief, District Clerk and Volunteers to decide on the right mix of equipment. Another Rotarian obtained support from the Trinity County Fire Safe Council.

4. How many non-Rotarians benefited from this project? 32 Volunteer Firefighters

5. What are the expected long-term community impacts of the project?

The equipment obtained will assist the Volunteer Firefighters in providing our community and, under mutual aid agreements, out surrounding communities with safe, competent and compliant fire protection.

6. If a cooperating organization was involved, what was its role?

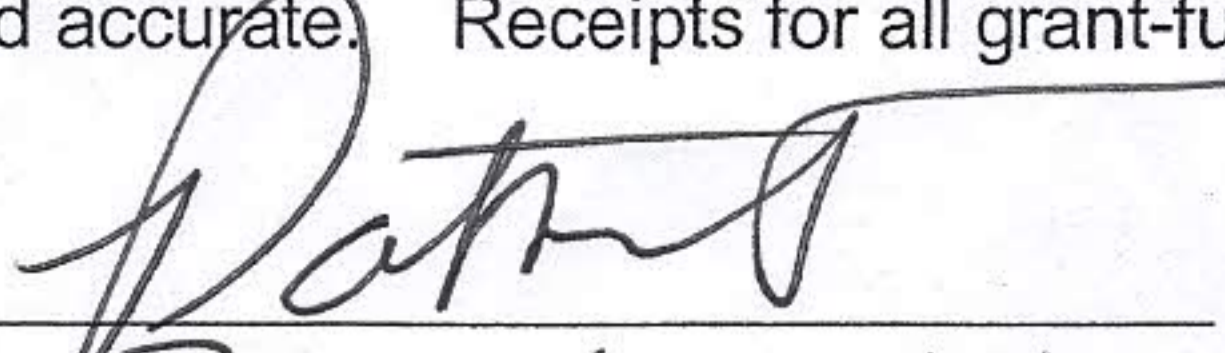

The Trinity County Fire Safe Council has pledged \$500 of in kind support to help with the outreach components identified in the Rotary Club of Weaverville's grant application.

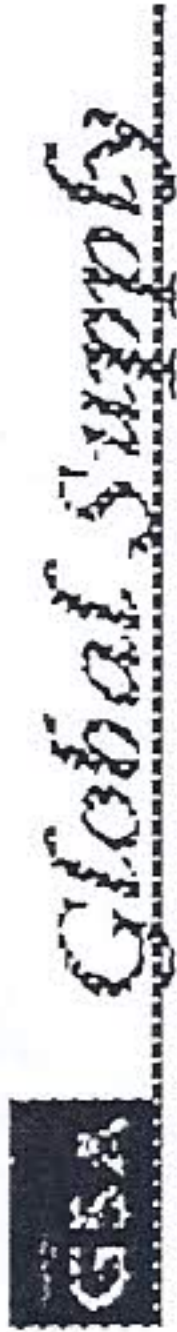

Financial Report (District must retain receipts of all expenditures)

7. Income	Amount
1. District Simplified Grant funds received from the District	\$ 6,000
2. Other funding (specify)	N/A

**Weaverville Rotary
Club donates for
fire equipment**

f
i
e
The Rotary Club of Weaverville recently donated \$6,000 to the Weaverville Fire Department for the purchase of 10 fire shelters and 10 sets of National Fire Protec-

tion Association-approved wildland boots.

Firefighters battling wildfires on federal property are required to carry fire shelters, which offer last-resort protection for those trapped by flames.

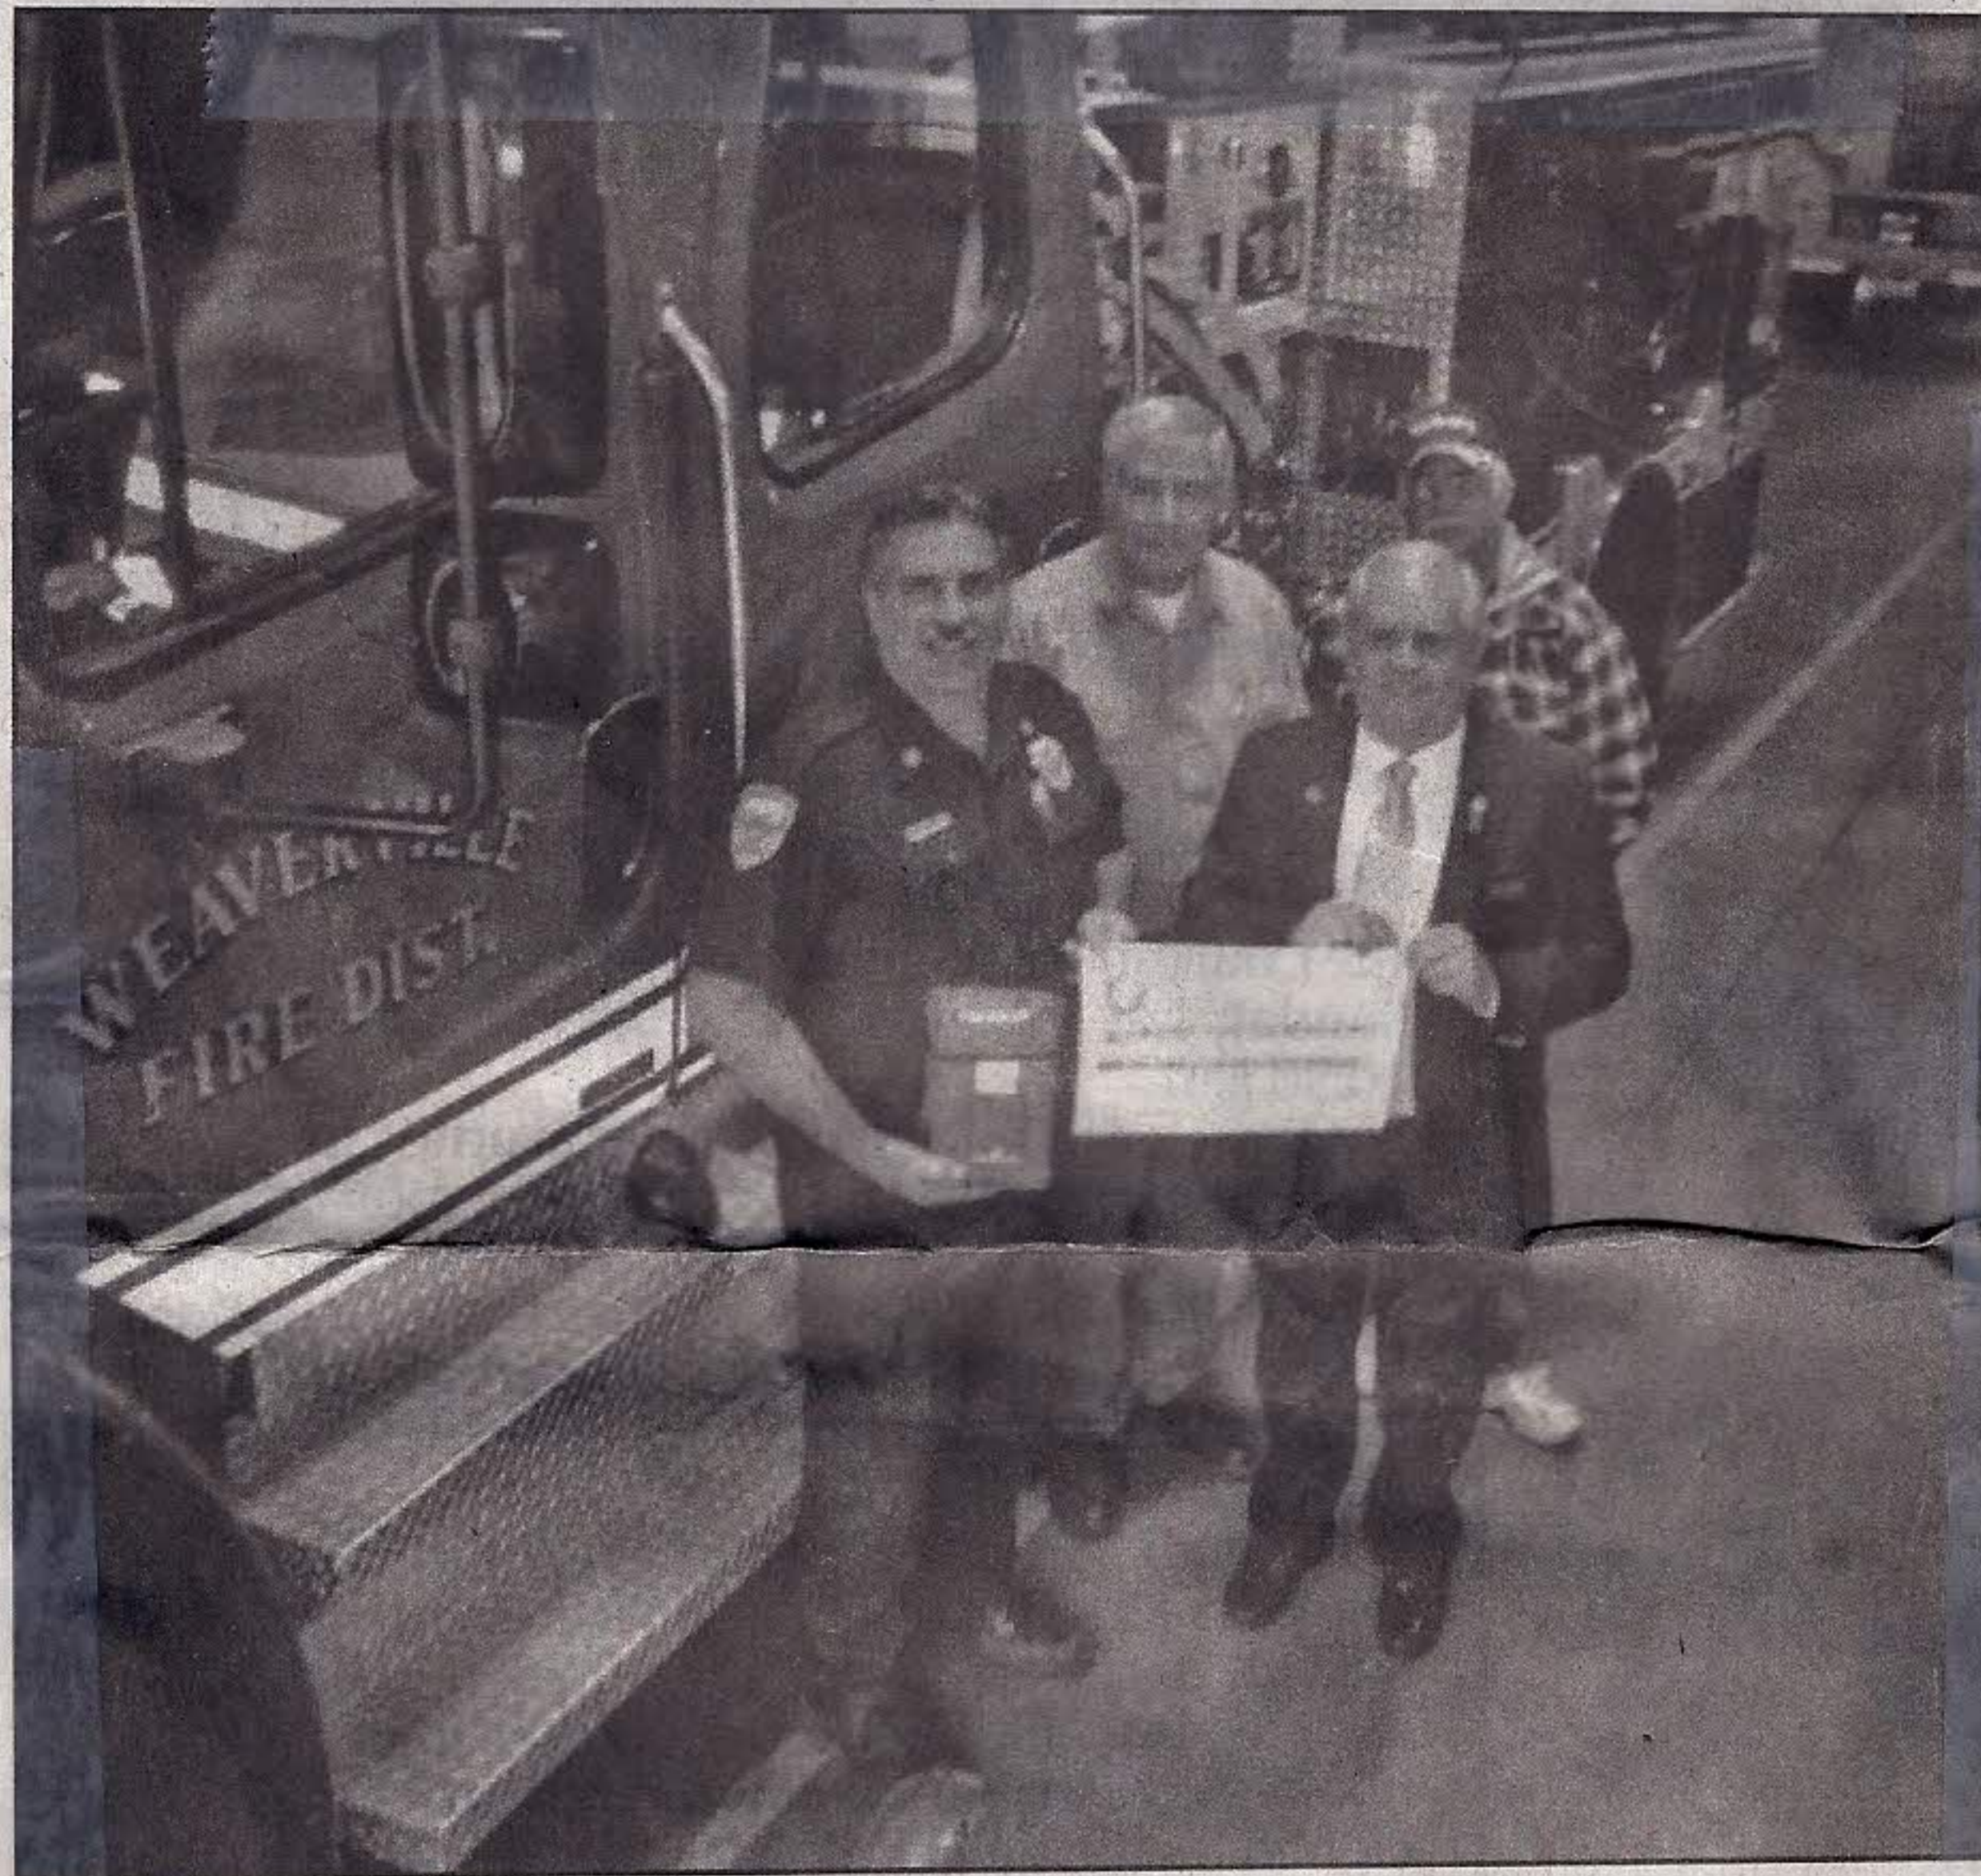

Rotary International District 5160 approved the Rotary Club of Weaverville grant request for the fire

protection equipment.

The Rotary Club of Weaverville has also worked with the Weaverville Fire Department to provide smoke detectors for those requesting them.

**Dogs from shelter
up for adoption**

CONTRIBUTED

From left, Fire Chief Richard Smith with one of the department's new shelter packs; Dee Potter, Rotary Club of Weaverville president; Earl Kilmer, Rotary District 5160 governor; and Steve Howard, Rotary member and Fire District Board chairman.

Rotary aids fire department

In fall 2009, the Rotary Club of Weaverville applied for a Rotary Grant in support of the Weaverville Fire Department to provide 10 California-mandated New Generation Fire Shelters and 10 sets of NFPA approved wildland boots for members of the fire department. Rotary International District 5160 approved the request for the grant in the amount of \$6,000.

Earl Kilmer, 5160 district gov-

ernor, recently made a presentation of the check for \$6,000 to Weaverville District Fire Chief Richard Smith.

The local Rotary Club also sponsors the Fourth of July Parade, Chinese New Year fundraiser for Rotary Scholarships for high school seniors, and in conjunction with the Weaverville Fire Department provided free smoke detectors for those who requested them.

Dear Alex:

On behalf of the Rotary Club of Weaverville, I would like to thank you, District Governor Earl Kilmer and the other members of the DSG committee for your support in awarding our club a grant for \$6,000. As indicated in our report, your generosity enabled us to provide the Weaverville Fire Dept. with state mandated fire shelters and wild-land approved boots that in no small way will help keep our community a safer place. And in particular, the fire shelters may indeed save a life someday.

I am enclosing a check for the remaining unspent portion of the grant to you. Again, we are all deeply grateful for your assistance with this project.

Yours in Rotary,

Pat Frost

Dear Mr. Glass,

I would like to take this opportunity to thank you for the generous grant that your organization gave to the Weaverville Fire Department for the new fire shelters and boots. Your generosity has helped the Department come up to the required standards. I would also like to thank District 5160 Governor Earl Kilmer for his assistance as well. It is organizations like yours that really help small Districts like ours survive.

The volunteers have fund raisers when they can to help raise money for equipment as well but with the economy the way it is it has been really tough. The equipment has already been put into service and the volunteers greatly appreciate it. Thank you for all the great things that your organization has done in the past and I know in the future.

If there is anything that we can ever do for you please call me at my office.

Sincerely,

Richard Smith, Fire Chief

Dear Alex,

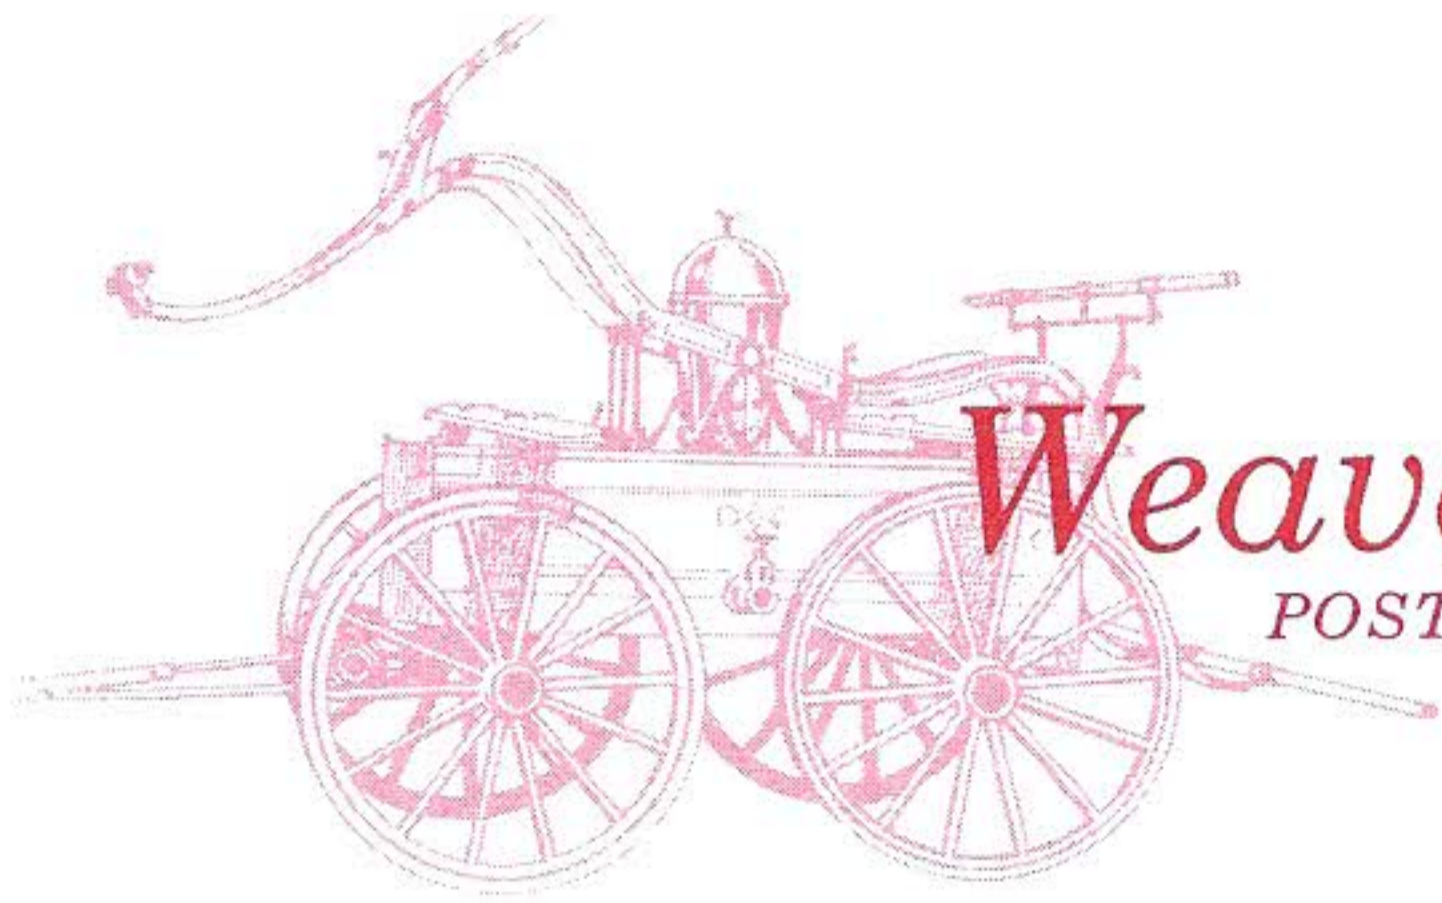

I just had to send a note to thank you for funding our grant request for State Mandated New Generation Fire Shelters and NFPA Approved Wildland Boots. Our Volunteer Firefighters are so excited to have the proper equipment and will appreciate them during this upcoming fire season.

This grant was easy to complete and a blessing to the Weaverville Fire Department. This equipment will be an asset to the Volunteer Firefighters for years to come. Thank you for all of the good work that your group does, which impacts so many people within or community.

Sincerely,
